

Name of the project

Antara Kolhatkar

XID: 202101029

Anujeet Kunturkar

XID: :202101030

Mervis Mascarenhas

XID: 202101034

Nilesh Mishra

XID:-202101035

Mini Project

Department of Computer Engineering

XIE

University of Mumbai

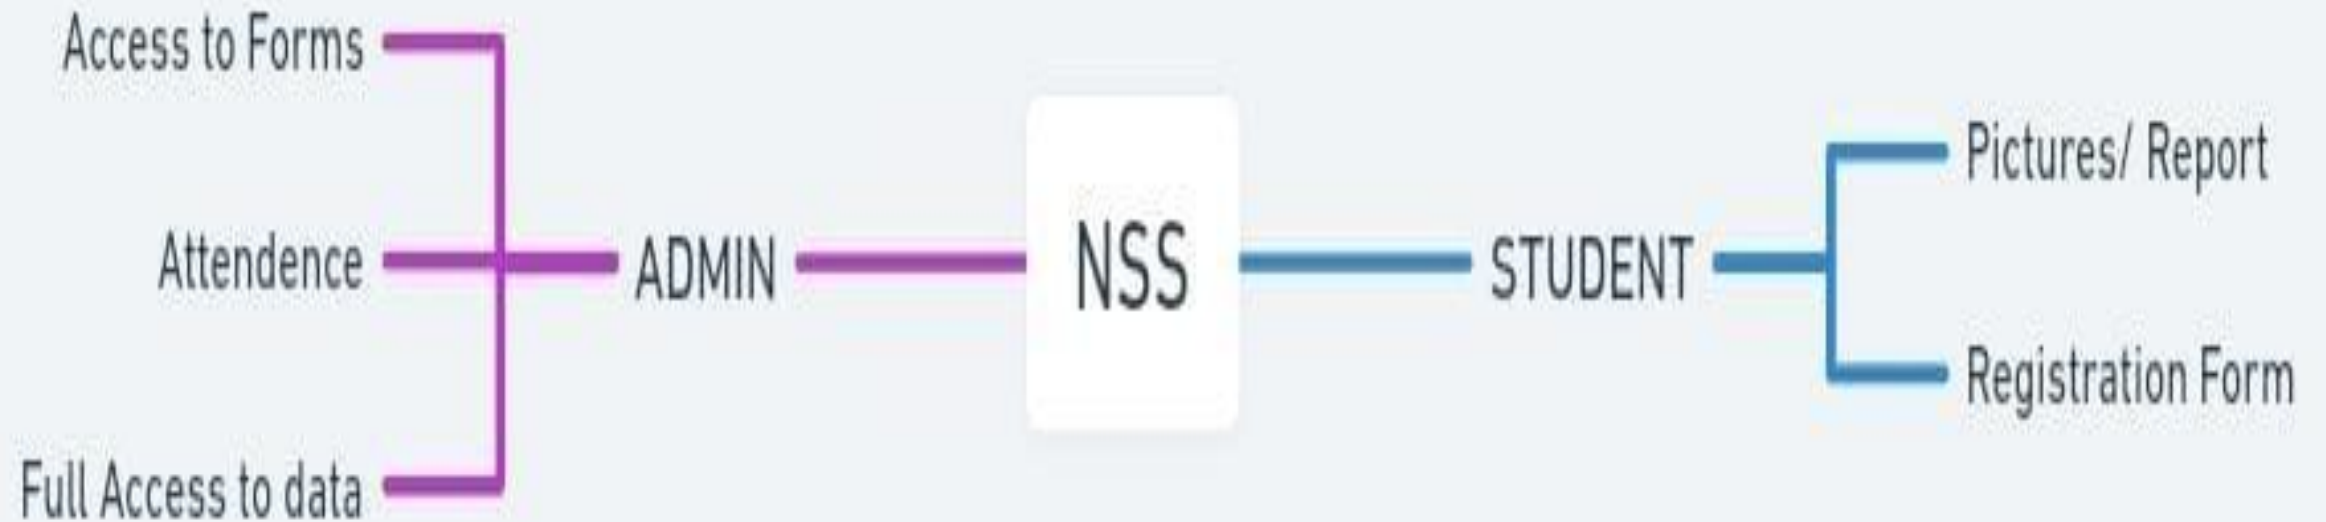

2022-23

Functions/ Features:

1. Online registration and application: Prospective NSS volunteers can register and apply online through the website.
2. Volunteer management: The website provides a platform for volunteer management, including assigning volunteers to various programs, tracking their progress, and evaluating their performance.
3. Resource center: The website serves as a resource center for NSS volunteers, providing information on training, projects, events, and other resources.
4. Communication and feedback: The website serves as a platform for communication and feedback between the Student Leader and volunteers.
5. The NSS website plays a vital role in the effective management of the National Service Scheme program.
